## Smarter Vision Care

When you offer your employees vision insurance through VSP and MWG, they'll enjoy the best value on their eye care. As the only national not-for-profit vision company, we reinvest in the things your employees value most.

## Member Promise

Our guaranteed member satisfaction program is like no other. If at any time a member isn't completely satisfied with their eye care services or eyewear, we'll make it right.

## You'll like what you see when you look at VSP.

### Value

**For you:** VSP network doctors are often the first to detect signs of chronic conditions such as diabetes, high cholesterol, and hypertension during a routine eye exam.<sup>1</sup> This early detection leads to cost savings for your company through improved productivity and reduced medical expenses.

**For your employees:** As VSP members, your employees will enjoy exclusive savings and promotions on eye care and eyewear, as well as additional discounts on things like LASIK and more. As an added bonus, your employees or any of their family members can enjoy savings of up to \$2,600 compared to retail pricing on state-of-the-art digital hearing aids through TruHearing, plus enjoy savings on hearing exams, over-the-counter hearing aids, and batteries.<sup>2</sup>

### Choice

Give your employees true freedom of choice. With more than 121,000 provider access points across the U.S., and nearly every frame on the market available, members can choose providers and eyewear that work best for them, their families, and their budgets. There are 30,000 retail access points available, and members can also use their benefits to shop on **eyeconic.com**® —Eyeconic® is the VSP online eyewear store.

### Care

**For you:** MWG and VSP provide you with everything you need for easy administration, from enrollment materials to consolidated online billing.

**For your employees:** VSP and MWG guarantee member satisfaction. We provide every client with exceptional member service through VSP's award-winning Member Services department. For 22 consecutive years, VSP Vision Care's Customer Experience Center has been named a World Class Call Center by Service Quality Measurement. In 2023, it was recognized for "Highest Customer Service for the Insurance Industry."<sup>3</sup>
